

Submitter: Valerie Brown

On Behalf Of:

Committee: Joint Special Session Committee On Transportation  
Funding

Measure, Appointment or Topic: HB3991

I do not support this bill.

It should not be passed.

Money can be found elsewhere to met the transportation department needs.

And do not let the transportation department be free to make its own rules without oversight.

I'm 78 and live very frugally and cannot avoid more taxes so that I can have transportation to necessary medical needs.
