Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3992

Oregonians can not afford more taxes. So many are barely making it. NO more taxes. People are using credit cards to makes ends meet, going without food, medicine to make ends meet. NO more taxes.

Our roads are not done now can't imagine how they will look now. I find it hard to believe that the allotted money is going where it should. There is no accountability Where is the missing money? NO more taxes. Thank you.
