Measure, Appointment or Topic:	HB3991

I adamantly oppose HB 3991. Why? Because the Oregon executive staff and legislative branch cannot be trusted. The prime example is the title explanation of the bill, here is the cut and paste: "Directs the Division of Audits to conduct performance audits of the Department of Transportation".

How stupid do you think the people are? You put this lipstick on a massive tax increase and you think the people will be fooled? Maybe a few lesser intelligent, but shame on you! Any pol that puts their name to this lie deserves to be recalled. 3991 is a massive tax increase plain and simple. The Oregon citizen is already severely overtaxed, disregarded and as we see, lied to citizens in the country. I can't say NO loud or strong enough.
