

Submitter: Billy Wilson

On Behalf Of:

Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3991

I am against any increase in taxes or fee increases until the state is able to demonstrate a balanced budget. No more taxes. It is passed the point of a comedy of errors. The state waste money and wants more or people will lose their jobs. Kotek needs to lose her job. No more grants or freebies to people who are not taxpayers. If you were my finically advisor you would be fired. Exist on the money in the budget without hoping it will rain money.
