Funding

Measure, Appointment or Topic: HB3992

Oregon has got to the point of no return. 4 generation here and my grand children can agord to live here. The taxes and regulations are killing us. I oppose this odot tax. I would say explain why road tax current gas tax and budget that was tolled would do the job and now you want more. A aduit need to be done. So just to be clear no on any new taxes.
