Funding

Measure, Appointment or Topic: HB3992

Department of Administrative Services: +\$500,000 (General Fund)

Secretary of State: +\$479,446 (Other Funds)

Legislative Policy and Research Office: +\$300,000 (General Fund)

Department of Transportation (ODOT): +\$204.4 million (Other Funds) — sourced from revenues tied to HB 3991

So where in this bill does it "appropriate" money to the roads. I see administration, Secretary of State, Legislative...no roads. How does burning an additional \$800,000 help keep our frontline workers? How does this keep Oregonians from leaving an overtaxed society? How does it help? The fact that this is being proposed over a holiday weekend shows your true intentions. Please vote no on this.
