Funding

Measure, Appointment or Topic: HB3992

Our state doesn't have an emergency and to declare one is irresponsible. The taxpayers have already given you our representatives plenty of money to fund all essential projects. Your failure to budget is not an emergency. Properly allocate the budget and fund what is needed. Please VOTE NO on this and all transportation bills that call for a state of emergency over budget cuts. This is the budget you have, and it is huge, it's plenty, figure it out.
