Measure, Appointment or Topic:	HB3991

Here we go again, Democrats lying and using the citizens as their own fatted calf, whom they rob of their wealth, their kids' future, and their savings for retirement. When did the working people of Oregon become a group to be lied to, stolen from, and told to shut up?

Well Democrats the ride is about to go off the rails, if you sign onto this wealth grab I suggest you begin to clean out your office in the Capitol, as the voters will not forget you. You may as well get a jump on the Exodus before it happens. People do not forget the blatant theft of their wealth, and eventually you need to face them I suggest you run away from thosvbill as fast as you can, the Governor is not going to save you.if anything she will blame you.

Vote No on HB3991 or reap the whirlwind, your choice, your consequences.
