No to more taxes, No to raising title and registration fees, No to gas taxes, No to payroll taxes, No to everything! As senior citizens living on a tight budget, it's improbable for us to endure anymore taxes. Those of us who don't use transit services shouldn't have to be taxed on them. The buck stops here! ODOT is a failed department, that needs a serious audit and a complete gutting. Remember, you work for us, and we say no more!!!
