Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3992

Vote NO! We the people have spoken. If you cannot understand how to budget your budget than maybe we need to have classes for each head that is failing. Reduce the pay of the higher ups. Why do all of the citizens have to pay for your mess ups or the individuals prior? If someone fails in their budget in the public sector they lose their jobs, get demoted or written up. Why is this not happened here? No new taxes, no means no.
