I oppose this bill. I cannot afford new taxes. The taxes are enough and you need to prioritize your needs and minimize spending just like I have to in my personal budget. This is wrong to continue to ask for more and more money from the citizens of Oregon. I need to be able to plan our future and be able to afford to retire after working for 45 years! I am Oregon born and want to be able to afford to stay in Oregon and enjoy my later years.
