Legislators,

I have written you before and I am writing you again. VOTE NO ON THIS BILL. Why? Because my family cannot afford to live in this state if you continue taxing us to the hilt. Do not ask us to shoulder one more massive tax bill because "Trump", or because "the houseless". You've collected record tax revenue in the last year and digging into our wallets once again is not solving Oregon's problems. You need to live within your budget just like I do. Do the moral and ethic thing and VOTE NO on HB 3991.
