To all of you who supported the Oregon taxpayers in opposing this latest taxpayer gouge, thank you. Truly.

These stunts of resetting votes, changing dates, and political nonsense are seriously angering those who pay your salaries -- remember us? The Oregon taxpayers?!

Anyone who considers voting in favor of the transportation bill had better think long-term. Many Oregonians are very angry at this governor's financial destruction of our state and many crime-impacted families in order to further an ever-decreasing politic ideology that we never asked for, nor voted for.

If you pass this. do so at your political career's peril and see how fast We The People will get a referendum moving!
