Oregonians are already struggling with high taxes and high prices on everything from food to housing. We can't take any more. Do not ass this!

ODOT is mismanaged and had a \$1.1 billion deficit with absolutely no accountability, no one was fired!. They also get record amounts of money for gas taxes a snow vehicle fees.

Oregons gas tax was raised in 2024 and were the 10th in the nation on gas taxes, we have to only bike tax in the country, and the only state wage transit tax.

No more taxes, we are done. Stop mismanaging ODOT!
