My name is Ebenezer Yemoh, a resident of Multnomah County, Portland,OR. I am writing today to express my opposition to this bill. I live in one of the highest taxed counties in the United States and say no more to taxes or fees. Enough is enough. It's time for ODOT to have tough decisions like every organization and have a third party audit. It's already hard enough to afford my life and any new tax or fees further pushes my and people in similar cases out of Oregon. I am a registered democrat and I support the republican proposition to change state statute to allow ODOT to use its existing funds.

I again express my opposition and say no more taxes on Oregonians. Enough is enough.
