Committee:	Joint Special Session Committee On Transportation Funding
Measure, Appointment or Topic:	HB3992

We live in Sweet Home a very poor region ,please have some honor and vote NO on both these bills.You disregarded our testimony before but that does not change how people want and demand no new taxes.Over 90 percent of Oregonians are so deeply opposed so how do you justify adding more tax burden on the people you represent?We are at a cross road and you need to do what is expected of you for us!NO NEW TAXES
