Measure, Appointment or Topic: HB3992

Please vote no on HB3992 and HB3991.

Oregonians Cannot afford any more taxes or fees. Please listen to your citizens and vote no in these measures.

Our family cannot cut any more expenses out of our budget, and we cannot add any more income. It's time for you to look at the state budget differently than you have in the past. You need to cut extras from ODOT's and focus solely on safety & maintenance to rebuild trust. Audit the spending. Why are we paying for renting empty buildings? Cut back on management, and personal. How many boots in the ground are absolutely necessary to get the job done? Why is every project over budget?

If you vote to raise our taxes, we will campaign to vote you OUT of OFFICE!
