

Submitter:	Audrey Barnett
On Behalf Of:	Oregonians
Committee:	Joint Special Session Committee On Transportation Funding
Measure, Appointment or Topic:	HB3992

I wrote in last week opposing this ridiculous attempt to assault our finances even further than is already being perpetuated against us and you threw out what I wrote. This is exhausting, maybe that's the point of this charade, I am not going to cast my pearls before swine another time, but I am going to take the time to demand that you follow the will of the people that you work for. Ninety seven percent of Oregonians are OPPOSED to this money grab that you all are attempting. As employees of the state, paid by the residents of the state— it is imperative that you not only heed our expressed will, but also follow it! Vote No on HB 3992!!
