You MUST vote NO on new/more taxes to support profusely mismanaged ODOT!!!

I canNOT afford more/new taxes! Especially NOW!!!! I am barely surviving as it is, as are most of my family and friends.

As a born and raised Oregonian, I've only recently had to start thinking about where I can move to so I can afford to just LIVE!! TAXES ARE TOO HIGH HERE ALREADY!!!!

What happened to all the money collected from the 2017 ODOT tax package that was supposed to fix everything? It was supposed to carry ODOT for ten years! It's only been eight!!

When is enough, enough? It's always "we have a shortfall", and then the threats of all that will be "lost" if us taxpayers don't cough it up!

How about the money collected for ROADS actually be spent on ROADS!!!? What a concept.

Where's the audit!!!!??? ODOT has received plenty of money over these past years. Enough money to do everything they're crying about not having money to do now.

When does Oregon government take responsibility and become accountable for all our hard earned money that's already been wasted or just flat gone "missing"?!!

Oregon government ALWAYS has their hand out for more money from the overburdened taxpayers here, and I cannot afford government irresponsibility anymore!!!

I certainly don't want the Governor in charge of hiring and firing. She has not proved to be competent in making good decisions.

You MUST stand up for The People you represent and vote NO on these new taxes.

Thank you for your time.

Sincerely,

Lisa Cox
