Dear Committee Members:

Please oppose HB 3992. Oregonians have entrusted you with our tax dollars to govern our state responsibly. Hard-working, tax-paying citizens are being taxed right out of our state and are left with no choice other than to move to another state with a lesser tax burden. It is so sad to see the demise of our beautiful Oregon. Our state simply cannot continue to be so fiscally irresponsible. The people of Oregon have had enough. No new taxes. Cut spending and work within a balanced budget. Time to tighten the belt and live within your budget like the rest of us common folks have to do. Cut the excess pet projects, red tape and inflated operating costs and focus on the basic infrastructure needs of our state. We have hired you to do a responsible job and we need you to do just that! Please hold our government accountable for every dollar spent. Thank you!

Respectfully submitted,

Kelly
