On Behalf Of:

Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3992

This sounds like a blank check that that sets a precedent for robbing from the general fund for anything that the governor can think to call an emergency.

I do not trust this legislative group to not rewrite this and try to vote on it without reading it or letting the public respond.

So, I have to add No new taxes just. incase you are planning on addingany.
