Testimony in Opposition to HB 3991

This Act is nothing more than a Continuation of Corrupt Politicians doing what THEY
want, instead of what the PEOPLE of Oregon want!

We have had enough of this mentality!

Measure HB 3991 is just another way for Politicians to take even MORE money out
of taxpayers' pockets.

This so-called "Audit of ODOT" would be conducted by the Transportation
Department that is led by a Director that was Chosen by a Governor who has already
Proven herself to be Untrustworthy!

That is Not Accountability!

That is Politicians policing themselves to achieve a desired outcome.

PROPER AUDITS should always be performed from a 3rd party, with no direct
interest either way.

Meanwhile, the Act opens the door to more taxes, fees, and regulations on every
Oregonian who drives any type of vehicle.

Over time, it even makes the per-mile road usage charge mandatory.

Creating yet another way to get even more Money from Oregon Taxpayers.

I strongly oppose this tactic and insist that our elected leaders start looking out for the
well being of Oregonians.

Your job is to Represent OUR Opinions!

Stop raising taxes. Stop hiding behind evasive wordage and false promises.

If ODOT truly wants to save money, let them start by cutting unnecessary spending
— beginning with laying off the DEI workforce that produces no real results.

Return supervisors back into the field where real work gets done, repairing our roads
instead of sitting behind desks.

Priority #1 REMOVE the Sanctuary Status of the State!

This will allow us to qualify to receive more Federal Money to help the citizens of
Oregon.

Priority #2 NEW GOVERNOR

One that is for the citizens of Oregon and knows how to allocate funds appropriately and stay within the allotted budget.

Which may require some modifications to what money is spent on and whether we actually even need certain people in certain positions and whether such people should receive their large salaries.

There are more appropriate areas where Cuts do need to be made.

If there isn't enough money to operate the State, then maybe Oregon needs to do some DOGE House Cleaning!

We need the State Employees / Representatives to actually focus on working for the Benefit of the People of Oregon!

~That is what WE PAY YOU TO DO!

?? YOU WORK FOR US! ??

I strongly feel that many politicians forget that very important detail!

NOT just sitting there creating new taxes to make up for the overspending and misappropriated spending.

Sanctuary State status is ILLEGAL!

Get rid of it. Work on doing that!

Citizens are forced to live within our Budget every single day. So should the Government!

The fix is =

*** No more taxes! *** No more Sanctuary!

*** No more Kotek! *** DOGE Cleaning for Oregon

????????????????????????????
