This bill is being forced on Oregonians even after being shot down twice. This bill shows Govener Kotek has zero interest in putting Oregonians first. We can barely make it as it is and we are already taxed to death. We have to budget our money, so Oregon needs to do the same thing. Businesses are literally leaving Oregon due to all the taxes. Dutch brother being the latest one. Then pulling the scare tactic of layoffs? That's a new low Kotek. I vote NO.
