Measure, Appointment or Topic: HB3991

I urge you to vote NO on the tax increase. Put the State before your own special interests!

Hard working Oregonians cant afford it & dont want it. There's other options your party brought forth. This would be against all Oregonian families, the testimony is overwhelming NO.

This is so damaging, the People will make sure there are political consequences. Kotek or The People?

Thank you for your attention to this matter.
