At some point you need to stop coming up with ways to keep taxing Oregon residents. Your tax increases are only hurting the low-income working families, the same people that you say you want to help. It is time to start using our tax dollars wisely and cut out the waste. Additional tax on gas, car registrations, businesses, etc. will only hurt our working families and cause our residents to move out of state to where our tax dollars are spent more wisely. Please defeat HB 3991 to keep our residents and businesses in this beautiful state of Oregon.
