Funding  
Measure, Appointment or Topic: HB3991

Vote No on HB3991 that taxes Oregonians for the ODOT budget.

I live on a fixed income with my disabled Veteran husband,. We can't afford it. The key is to reprioritize spending. Businesses have to, my family has to now You Need to!

Determine the Needs: Roads that are maintained and safe, snow plows that make the roads safe in the bad weather; and bridges and intersections that function safely.

Everything else is not a Need, it is a want.

You as a state government have chosen to stand against common sense principles of life: If you can't afford it you can't get it. You have forgotten where the money comes from. The source of funds comes from We The People who pay our taxes. Now, We The People, the tax paying, law abiding, voting citizens of this state say:  
"NO ON TAXES! NO ON HB3991!

Don't listen to your peril.

**WE THE PEOPLE ARE THE SUPER MAJORITY!**

We know our power and now we will use it!

Vote NO!

Respectfully,

Anna Munson
