No new taxes or fees ! We will remember at election time!! Do a doge and find out where all our current tax and spend money is going now! If you ran a business like this state runs the government we'd be broke and shut down by now... and as bad as it is you're gonna shut down more people and businesses here that will leave the state! They'll go somewhere where they can keep their cash and not give up more and more every year to the greedy odot machine and this state!

NO NEW TAXES!
