Measure, Appointment or Topic: HB3992

I am opposed to HB3991, the new tax to bail out ODOT and the State government. Therefore I am against HB3992 that funds the prior bill in any way. The Oregon Constitution and statutes already provide for audits and agencies to perform them. No more funding is needed. The \$141 Billion+ state budget is enough-too much for this taxpayer.

Both bills are not necessary. Reprioritize!!! Get back to core priorities!!!

WE don't need More Taxes, we need to get back to Living within Our Means!

Respectfully,
