Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3992

I urge all representatives to vote NO on this transportation bill. It is an unsustainable cost on tax payers. ODOT must be audited and redirected back to the original plans in the 2017 bill. Residents and small businesses cannot afford these extra costs. If you keep raising the cost to do business in Oregon then businesses will continue to flee the state. Do the right thing and vote NO!
