

Submitter: Lori Proctor

On Behalf Of:

Committee: Joint Special Session Committee On Transportation  
Funding

Measure, Appointment or Topic: HB3991

I am AGAINST , I am a senior and already stretched financially to the limits. The Governor and our elected officials don't seem to care what WE The People want! We have already made our voices heard on this subject, but still they push and push like spoiled children.

The budget has already increased for the ODT from last year, our road are worst, what is it the ODT does? maybe they need to stop the waste and be accountable.
