ABSOLUTELY AGAINST!!! Start listening to the people and what WE want you to do. Do you forget you work for us???? It is time to stop the madness of spending. We the people have already told you what we want!!!!

Starting working for us!!! Work with the money you have!!! We have too. I am a senior every time gas, insurance, food, health care, medications go up what fund do I rob from? No I have to figure out how to live on what I have, but the Government wants more of my money so they don't have to figure out how not to waste!!!!
