No more taxes!! Learn how to properly budget and quit using our money to fill your pockets. Kotek you are the absolute worst Governor to get pushed in there. Your bff Kate was terrible but I think you topped her. You are pushing for more taxes while you go on vacation and remodel. You can't even show up and be a leader.

As for everyone who showed up for a quorum, shame on you. We Oregoyhace spoken multiple times that we cannot afford to live as it is and you want us to pay more! Gas is down in every state but here because of your taxes and the States mismanagement of funds. Spend our money you already get investigating and auditing the books. Quit stealing our money. You are all turning Oregon into a methed out homeless state for illegals and pedos. If you can't better the state and listen to the people that ".elected" you, then you should remove yourself immediately. These taxes and all the other wrong you do for our state affects you and your family too. God is watching. Remember that!
