Committee: Joint Special Session Committee On Transportation  
Funding

Measure, Appointment or Topic: HB3991

As a single parent I already struggle with being able to afford the cost of living in Oregon. If this passes then I will have to find another full time job or move out of state. I know I'm not in the minority here. Oregon is full of working families who are struggling and this is going to make it worse if it passes. I'm opposed and hopeful that our officials will do what's right for the people and our beautiful state, and reject this.
