

Submitter:	Patricia Griffiths
On Behalf Of:	My family -3 voting adults
Committee:	Joint Special Session Committee On Transportation Funding
Measure, Appointment or Topic:	HB3991

Don't pass this bill!! Oregon's taxes are already some of the highest in the country. It's driving away employers and hurting working families. Poorer people will bear a disproportionate amount of this burden with regard to their financial means.

We already pay enough taxes to have safe, reliable transportation! Don't siphon off funding for vital government functions to use for discretionary projects — then force people to pay again for what they need! Stop this bill! Thank you!
