I oppose the sweeping fee hikes and payroll taxes. Enough already. The Oregon state government are making it unlivable for middle class small business owners. ODOT needs an audit. And to live within its means. The government needs to stop over spending and live in a budget like ALL Oregonians have to do. Just because you have support for these tax hikes doesn't mean you have to vote for them. Think about who is paying your salary. Residents are already leaving the state. Do better.
