Measure, Appointment or Topic: HB3991

As a native Oregonian, I am ashamed of many of the poor decisions made by our democratic delegation. The only solutions sponsored by the democrats appear to NEW TAXES. This is crazy thinking. Take care of the current problems before you cram new taxes on the citizens. We are taxed to death as it is. I have never considered leaving the state of Oregon, but the time has come to cut my losses and move on. Shame on you governor Kotek.
