Measure, Appointment or Topic: HB3991

I oppose HB3991 as our government needs to be held accountable to use funds already allocated for these services to cover expenses and stay within the budget.

They are overtaxing Oregonians which is creating hardships for them and driving businesses away because of their lack of proper financial management of funds they already have. Please don't allow more mismanagement by voting this bill in and continuing to hurt Oregon families!

Thank you, Susan Vaughn
