Committee: Joint Special Session Committee On Transportation  
Funding

Measure, Appointment or Topic: HB3991

As a farmer in the Willamette Valley for 35 years, I oppose this bill. We are already under pressure with fuel, labor, and chemical costs increasing each years, while our income declines. We do not need to pay a new tax on the diesel that we use in our tractors. We cannot afford to purchase new more fuel efficient tractors as we are a small family owned and operated farm, not a corporation.

Thank you for your consideration,

Kathy K Miller
