We the people should not be taxed more for a Bureaucracy that HAS NOT been audited! We the people are tired of being punished because our leaders are unable or unwilling to lead with accountability! ODOT and other agencies bring in ample funds from the taxpayers, their misuse of those funds is NOT the fault of the people, the elected and unelected bureaucrats should be held responsible for misuse and laundering of tax payer dollars! I am most happy to audit ODOT along with many other agencies that WANT MORE tax payer dollars.
