This new bill is not in the best interest of the state, ODOT, and most importantly the citizens. Allowing an agency that has proven to misus funds and issues with our tax dollars to be given more money is grossly abhorrent. ODOT needs to be audited. Drastic changes in management needs to take place immediately. But it should not be given any new funds. The legislators must do their job. The Governor must do her job. Work together to find solutions to the problems within the current state budget. NO NEW TAXES! NO NEW UNELECTED COMMITTEES!
