I feel like shouting this from the roof tops to all Oregonians. Governor Kotek is lying to us about ODOT. She is tooting the horn about maintenance, pot holes. This could not be farther from the truth. It is partially true but not the whole truth. That makes it a lie. The majority of the money is NOT going for those projects. It is going for VERY expensive cost overruns on new projects. The Governor is hiding the truth from us about where the bulk of the money is going.

VOTE NO, NO NEW TAXES, NO NEW FEES, NO NEW MONEY FOR ODOT.

ODOT needs to be audited for past budget over runs, not given more money. Stop the madness! Stop the insane spending! Stop the HUGE cost overruns!

ODOT has been careless with our money. It should not get more. It needs to be held responsible not rewarded.

If my child was given a new jacket and sent to school and came home without it and saying he lost it, I would send him to school without a jacket and instructions to find the lost jacket. I would not go and buy another one. A hard but necessary lesson in being responsible.

No money for DEI, No money for any special interests, no new wage increases especially for management. Management needs to be held accountable for the losses, not rewarded.

VOTE NO on increased costs for Oregonians.

If you vote yes on this I will do my best to make sure you are voted out.
