Honorable Oregon State Legislature.

Please vote no on HB3991.

As usual with your super majority party, this is a bill that will hurt working class, and especially rural, citizens by taking more of their hard earned money.

Here's a better idea. Maybe you can shift money away from the failed homeless programs that support people who do not contribute to the economy of our state, but instead drain our public services like Sherriff, Police, Fire, Medical, and Public Works, etc.

Respectfully,
