

Submitter: Hersey McBroom

On Behalf Of:

Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3991

We don't need new taxes to pour money into an already corrupt and mismanaged division. Take the money from less pertinent funds and projects. In any type of business the overseer/ manager and those responsible for the misuse of funds would be fired and possibly held liable for it. Instead you want to have us the people pay for it and continue down the same path of misuse and laundering.
