On Behalf Of:

Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3992

To the Chairs, Co Chairs and members of the Joint Special Session Committee on Transportation Funding.

I have submitted my testimony opposing HB 3991 and now I submit my opposition to HB 3992 for the same reasons.

No increases in taxes and fees for the operation and ownership of vehicles in Oregon. It is a hardship to many Oregonians.

ODOT does need an audit of it finances and it's financial practices but that needs to be done before more funds are given to them through these bills.

Accountability before anything else.

Vote no on HB 3992
