I oppose any tax increase towards funding the state agency ODOT. Their debt, mismanagement, and poor stewardship of the taxpayer's money should be fixed within the agency. We shouldn't be asked to bail them out. ODOT has mission creeped. If they would return to core mission, they would not have to layoff frontline workers. The Republican caucus has a better plan, just because they are the minority party doesn't mean they don't have worthy ideas. I oppose this bill.
