Funding

Measure, Appointment or Topic: HB3992

We do not want an increase of any kind. Splitting the bill sneaking it through just says how low you will go. LISTEN, stop throwing money away, pull funding from all of the fluffy feel good areas and support the core needs. You have been told by the voters we do not want or needs this. Our household can not afford it. Sadly we are thinking of selling our beautiful place because we can no longer afford Oregon politics and political. For once please listen and do not pass these tax increases.
