Funding

Measure, Appointment or Topic: HB3991

I believe that an audit of ODOT is a waste of time and resources amid the dire situation facing ODOT and its employees. Without funding, they will be laid off, and Oregon will have to do without their crucial work. Anything, during the emergency legislative session, that is not aimed at providing funding for ODOT is anti-worker, anti-environment, and anti-commuter. Please consider the constituents whom you allegedly serve.
