I am appalled at our legislature and our governor for calling a special session on this bill, which has already been soundly rejected by Oregon voters

Do not increase taxes on our already overburdened Oregon citizens

Oregon already has the fifth largest tax burden in the whole country

Businesses have been leaving our state in droves.

Do not go against the wishes of your constituents.

The special session on a holiday weekend is absolutely unacceptable.

The spotlight is on you all.

Do the right thing.
