Holding a special session on a holiday weekend without providing the full context and content of the bill to Oregon citizens is shameful and completely unacceptable

The spotlight is on you all

We are watching you and we know your despicable tactics

Do not go against the wishes of your constituents yet AGAIN.

Oregon businesses have already been leaving the state and drove due to the prohibitive taxes and regulations

Oregon is fifth in the entire nation for overall tax burden

Stop punishing your constituents for the irresponsible use of taxpayer funds

I am a lifelong Oregon citizen, born and raised here. I deserve some respect from you.
