I'm submitting this testimony on behalf of myself and every Oregon taxpayer, that has come before and will come after. You were elected to represent your constituents in that district. You have failed in this pursuit, yet again. Now that failure is bestowed on the taxpayer once again. The ones who always have to bear the burden of ineptitude and lack of accountability. We are not an open checkbook. We are not an ATM. It appears we are just simply being harvested for tax dollars. The people have spoken. Loudly! We will not accept another tax increase. We will not accept lack of accountability. We will not accept corruption. It is time you act fiscally, with fiduciary responsibility. Oregon taxpayers demand and expect it. Economies fail to thrive and grow based on burdensome TAXATION, Oregon is FAILING. No new taxes!
